Greetings in the Name of our precious Lord and Savior, Jesus Christ!

Mission work. Another year has gone by, and we look back with much gratitude toward our Lord, for all His blessings. Last year was quite a challenging one. Many of us got sick, several lost relatives, we could not meet as much as we wanted, there was political, social and economic unrest everywhere around us. In these turbulent times, however, we are thankful that the Lord kept us together, united around Him and bold to proclaim His Word. We really felt Satan attacking us on many levels and from all directions. But we also felt the special strengthening of our Lord and the special comfort of His Spirit. In spite of the hardships and challenges, and even because of them, the congregation is doing well and progressing. It is heart warming and refreshing to see the brethren's godly zeal, fervent brotherly love, self sacrifice, liberal giving and the continual hunger for the Word of God.

Literature work. We are very excited for another blessed year regarding the literature work. As difficult as last year was, it was also our best year ever in terms of progress of our outreach ministries. The amount of literature that was distributed was an all time high. We distributed exactly 135,786 copies of literature. Out of these, almost 100,000 were Gospel booklets. We had the highest number of new readers and a good number of people calling us to inquire about salvation and/or about different doctrines. We have several new visitors and also new brethren that are distributing the literature in areas of Romania that are still out of our reach.

Last year we finished several digital projects that have enabled us to reach many people over the Internet: our church app, a new website (www.harulsuveran.ro/en), a new Youtube and Podcast channel, Saturday night Live series on Facebook, an Instagram page and several other projects. They are enabling us to make progress with our great goal, which is to make known the true Gospel, the doctrines of grace and church truth not only to Romanian people, but to the entire Europe. We are thankful and appreciative to each and every one of you that are part of this great and exciting work!
