Greetings in the Name of our precious Lord and Savior, Jesus Christ!

Mission work. We started the year in full force. We rejoiced having brethren from Bucharest and Germany with us, in Bocsa in the first part of the month. I made a trip to Moldova (eastern Romania). My plan was to visit a brother and help him with some electrical work and then travel with him further north, to have a meeting in the city of Bacau, where we'd be joined by brethren from Moldova and from Bucharest. The Lord changed our plans. Just as I arrived, the brother's father passed away. I stayed with him and his family (he is the only believer in the family there, and had a lot of opposition because of his faith). We canceled the meeting in Bacau and I helped him and the family. The brethren from Bucharest joined us for the funeral. We were able to leave a good testimony there, and be an encouragement to our brother.

From there, we drove to Bucharest and had an extended meeting on Sunday. The next day, Miriam and I made a trip to Sofia, Bulgaria, where we met bro. Christo and his family. We rejoiced seeing bro. Christo in better health. We hope he'll be well enough to make trips to Romania, as well. Everyone wants to meet them. He is in the process of translating our materials, but also shares the Gospel on the street and online every time he has a chance. We continue in prayer that the Lord would open a door for mission work there.

In Holland, visiting bro. Lucian

Upon our return from Bulgaria, Miriam and I flew to Holland, to visit our brother, Lucian, who works there. Brothers David and George Paraschivescu joined us. Lucian has been suffering much because he is away from the church. He is working abroad to try to save some money and buy a piece of land in or near Bocsa, to be close to the church. He's not from our region, and the closest mission work we have from his birthplace is very far. Be in prayer for him, as well. We'd love to have him back as soon as possible.

Literature work. Last month we mailed 18 large packages with literature. We have been working on a new format for our two most distributed booklets. It will be cheaper to produce them, while not compromising on quality. The translation work progresses into Ukrainian, Russian, and Urdu. We have received good reports from new areas where our literature started being distributed. We're thankful for this and pray that the Lord will continue to use the translation work and the printing work in various languages. Thank you for lifting us in prayer and for supporting us in this endeavor! **Bro. Raul**
