Greetings in the Name of our precious Lord and Savior, Jesus Christ!

**Mission work.** The summer months are usually the busiest for us. This year is no exception. I spent much of the month of July on the road. I travelled to Germany, then to Sweden. Then I made a trip to Filiasi, where we had a special meeting with the entire church, and then to Bucharest. From Bucharest, I took bro. David with me and traveled to Sofia, Bulgaria, where we visited Bro. Hristo for a couple of days. We haven't seen bro. Hristo since 2019. We brought Gospel literature in Russian, as there are many Russians in Sofia now, and he wants to share the Gospel with them. It was a blessed time, and we pray and plan to start making regular trips there.

The other brethren were busy, as well. Aurel Munteanu continued travels to Bucharest, and he also traveled to Zalau, where people started gathering in Bro. Florin's house. More and more lost people come there to listen to the Gospel. They even talk with their relatives and invite them to come. We haven't seen genuine signs of conversion yet in any of them, but they are interested in learning more. Also, some relatives of bro. Florin started attending. They are saved, but members in false churches. They are studying church truth now. Pray for them, for Bro. Florin and for his family, too. If we start regular meetings there, other members and people that study with us from northern Romania could come there, which would be an encouragement for them. Our hopes are that a true church would be established there. Be in prayer for this.

The Lord is moving the brethren from Bucharest toward being organized as a distinct church. They grow in faith, in holiness and in their dedication to the Lord. They still don't feel ready to be organized, and we don't want to impose this on them. But we see signs that the Lord is preparing them. After the leaven was purged (the brother that caused trouble was excluded), there is a great love, fellowship and desire toward holiness and each one is identifying their particular calling and gifts and making full use of them in the church. They make mission trips, visit and help one another, and also started going out on the streets and from door to door to distribute literature and share the Gospel with people. The Lord is also equipping bro. David for the ministry, and we are praying for him, as a church. All things are moving toward the organization of a new congregation of like faith and order. Pray with us for this!

**Literature work.** Last month we distributed thousands of Gospel booklets. A family from Germany came to take literature from the print shop. They are listening to our sermons on Youtube. We shipped out 10 large packages and printed a new booklet, *The Baptism of Jesus* by bro Ron Crisp. We are making progress with the translation work in 7 languages now. More about this in the next prayer letter. Thank you all for your love, prayers and support! **Bro. Raul**
