Printing work under the authority of Sovereign Grace Baptist Assembly, Bocsa, Romania

July 10th, 2021

Greetings in the Name of our precious Lord and Savior, Jesus Christ!

Mission work. Last month was a busy one for us. We had regular meetings in Bocsa as well as in all the mission points. I was able to visit the brethren in Timisoara once and also made a one week trip to central and northern Romania, where Miriam and I visited church members that live remotely, as well as other brethren in those areas.

Last month we had a special meeting in Filiasi, where most of the brethren from all mission points attended. I asked bro. David from Bucharest to preach his first message before the congregation (he preached before at the mission point in Bucharest). He brought a good message. We had a business meeting and the congregation voted to increase the support for the printing work and also support each preacher with \$100.00/month. Considering the monthly expenses we have with the rent for the three meeting places for the

mission works, as well as the conferences, this is a big step for our small congregation, and a great sacrifice of love. But it is also a sign of responsibility and maturity, for which we praise the Lord.

Literature work. Last month we shipped out 20 large packages with literature. We printed 6000 copies of a Gospel booklet (*A Bold Personal Question* by Forrest Keener) and 1000 copies of Bro. Mark Fenison's two works on the ordinances (*Wet or Baptized* and *Who Is Invited to His Table*), which we print as one book. From the beginning of the year, we printed a total of 37,500 copies of booklets and 3000 books. Another 30,500 booklets are jobs in progress right now.

Last month we launched our church app, which is available in 5 languages (Romanian, English, German, Spanish, Portuguese). We put thousands of work hours into several web projects (the app, the new website, the podcast and Youtube channel, the Facebook and Instagram page) which we hope to become great tools to reach the whole world with the truth. We bought 5 podcast sets to increase the

For Android:

audio quality of our sermon recordings and live videos, since more and more people are watching or listening to us over the Internet. We are very thankful to the Lord for opening these doors as well. If you wish to install our app, you may scan one of the QR codes with your phone camera, and it will take you directly to the download place. Thank you very much for your faithful prayers and support, dear fellow-labourers in the Master's field! **Bro. Raul**
