Greetings in the precious Name of Jesus, our Lord and Savior!

Mission work. Services in Bocsa, Filiasi, Timisoara and Bucharest have been going on regularly. We made one trip to Filiasi last month and I made one trip to Bucharest. It was a great joy for me to spend a few days in Bucharest, visiting the brethren in their homes and at the meeting place. Because of my surgery, I wasn't able to go there for three months. Lord willing, in the middle of June I will go back to Bucharest. Aurel Munteanu has been going there faithfully and had several meetings with people that are interested in grace and church truth. We received some phone calls due to distribution of literature on the streets. We pray that the Lord will use this literature for the salvation of the lost and the bringing of His sheep to His church.

Aurel Miclea continues the meetings in Timisoara. He and I planned a trip to central Romania, but he made the trip by himself, as I couldn't leave the house. Just before the trip we had a strong thunderstorm and a lightning hit near us and affected one of our main circuits. We were left without electricity for almost 24 hours. When we woke up in the morning, we found our basement flooded, the main water pump was fried and there also was a short circuit on the line. We were thankful that it wasn't worse, as half of our printing equipment is connected to that circuit.

Lord willing, after the trip to Bucharest, we will make a trip to central and northern Romania. Please pray for all these missionary endeavors.

Vehicle Fund for Aurel. The vehicle is paid in full. Thank you so much to all that prayed and contributed to this need. It was a true blessing to see the Lord answering prayers above and beyond what we thought or hoped. This month we received a check for Aurel's vehicle, but since it is already paid and insurance is bought for a full year, we would put this money in the vehicle fund for me. Both Aurel and I needed to change our vehicles, as they became quite run-down, and some of the checks came for both of us, but since Aurel's need was more urgent, we put all the funds toward buying his vehicle. I still hope to squeeze another year of life out of my car. My car inspection is due next year, and I don't think it will pass another one. Our government, however, is trying to pass a legislation that would require all cars over a certain age to pass yearly inspections, not just every other year. If they will apply this law to all cars, then September will be its last month.

Printing work. We reprinted my booklet *The ecumenical movement* in 5,000 copies and we began printing the book *Sola Scriptura?* in 3,500 copies. This is a book I wrote following the messages of one of our annual Bible conferences, on the subject „The Authority of the Scriptures.” We are finishing translating John Gill's *The Cause of God and Truth*, but it will still take several months before we can start getting it ready to print.

We wish, once again, to thank all of you that bring us before the throne of grace, for being part of the Lord's work here, in Romania! May God bless you all! Bro. Raul
