Greetings in the Name of our precious Lord and Savior, Jesus Christ!

Mission work. Our congregation enjoyed another blessed month of sweet fellowship. We were able to meet regularly in Bocsa and in all mission points. The highlight of the month was the special meeting we had in Filiasi, where brethren from all the mission points attended. Several were not able to make it, but we're thankful for the time of fellowship we had together. I asked bro. John from Bucharest to preach a message for us all. He preaches at the mission point in Bucharest and is active on the Internet, but this was the first message he brought before the whole congregation.

We plan to have another special meeting in Filiasi on June 19th. It will be our church's 12th anniversary then (on the 21st, to be more precise). We're thankful for the grace our Lord has shown us so far. From the beginning we've been on the first line of battle in the spiritual warfare and all of us are determined to keep pressing, following in the footsteps of our great Head and Captain. Down through the years, we've felt the intensity of the opposition of Satan, who threw at us everything he had in his arsenal; we felt the bitter taste of failure to control our own flesh; the deep sorrow and concern when some from our numbers backslid; we felt our own feebleness and realized over and over again that it is His grace that keeps us, it is He that worketh in us „both to will and to do of his good pleasure“. And so, we are determined to remain faithful, to keep storming the Gates of Hell, to be a powerful light in this spiritually dark part of the world.

Literature work. We continued to send out a lot of literature last month. We needed to reprint several titles of Gospel booklets. We also bought a lot of paper, because the price is going up next month. We'll try to buy another batch before the end of this month.

On June 21st, we plan to officially release our church's App (*Harul Suveran*) and new website (www.harulsuveran.ro/en). These projects involved thousands of work hours of many brethren. The content will be available in 5 languages (Romanian, English, German, Spanish, Portuguese) and we'll soon add 5 more (French, Italian, Bulgarian, Russian and Urdu). These projects bring us one step closer to our older big goal: to proclaim the Gospel, the doctrines of grace and church truth in all European languages. And from here, to the uttermost parts of the world! We wish to thank you all for being part of this work, through your prayers and support! We pray for you, as well, our beloved! **Bro. Raul**
