Greetings in the Name of our precious Lord and Savior, Jesus Christ!

Mission work. We are thankful that the Lord blessed us with good services everywhere, in Bocsa, Filiasi, Bucharest and Timisoara. We had returning visitors in Bucharest. We rejoiced in having bro. Daniel Matsuda from Peru with us for 10 days. We worked him hard. We visited the brethren in Bucharest. From there we drove to Ukraine. On our way home, we visited brethren along the route. And then we had a special meeting in Filiasi. He was an encouragement to the brethren here. They were happy to have met him. Bro. Daniel was my translator during my last trip to Peru and I was glad to return the favor. He also helped us translating several articles into Spanish, and also our website and app content.

Toward the end of the month, Aurel Miclea and I made a quick trip up north. We stopped to visit friends and brethren along the way. We need to go back to that area and spend more time with people that are interested in the truth there.

With Bro Daniel in Bucharest and Filiasi

Please continue being in prayer for Miriam, regarding her eye. She did a check up, and the liquid withdrew some from the retina, but actually more of it accumulated on the lower side of the eye. She is to see the doctor early in January. Pray for me, as well, please. Last winter, I started having a strange allergy, triggered by cold. It manifests as hives. After seeing several doctors and doing a lot of lab work, nobody was able to determine the cause, nor a treatment. One doctor said that it might disappear as sudden as it came. However, as soon as the colder weather started, my allergy came back. It may have something to do with stress, we don't know. Please be in prayer for this, as well.

Literature work. Miriam and Aurel had another busy month in the print shop. I prepared for them new editions of the Gospel booklets in Ukrainian and Russian. We are printing 10000 copies in each language. We also printed 1000 copies of Bro. Curtis Pugh's *What Is a New Testament Church* in Urdu (language in Pakistan). We will translate *The Trail of Blood*, next. In Ukrainian and Russian, we are working now on bro. Curtis' *I Am Looking for Sinners* and bro Tom Ross' *Outlines of Systematic Theology*. In Spanish, bro. Daniel has started the translation of bro. Chuck Hunt's *The Body of Christ, Separating Myth from Metaphor*. We already translated it into Romanian and Bulgarian, and we plan to translate it into Ukrainian, Russian, Urdu and Arabic. We are very thankful for what the Lord did this year, as well, through the literature work. I will present an end of the year report in the next prayer letter. It is encouraging. Thank you again for being part of our hearts and of the work here! **Bro. Raul**
