## **APRIL 2014**

Greetings in the name of God the Father, the Lord Jesus Christ, and the Holy Spirit. We trust that each one is doing well and rejoicing in the Lord's blessings.

We remain thankful for the Lord's goodness upon His work in Western Australia. While we have not seen any new visitors this month, we have been enabled by grace to continue with the proclamation of the Gospel into various communities in our area. We praise the Lord for this wonderful privilege. It was a joy also to have several opportunities to speak with different ones about the Lord and about the work in which we are involved in the Mandurah area.

Earlier this month, the Lord blessed Cyd with a successful surgery concerning the removal of a cyst in her neck, for which we are thankful. At a follow-up appointment, we were informed that it was a large parathyroid cyst. The pathology report also showed an abnormality in a lymph node. She was referred to another specialist and has an appointment on the 14th. We were told that there will be further tests involved. Again, we appreciate and are thankful for your prayers.

Our sincere thanks for your continued prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ, Bro. Frank James

## **News From The Homefront**

Maggie:

For some reason, I had a little more apprehension with this surgery than I have had with others. I think it was the location. Frank stayed with me until they took me to the holding bay for surgery. Then a red-headed lady with a kind smile came over and held my hand and went through the procedure one more time. She told me that her name was Maggie and she was from the UK. She didn't walk away in a hurry but stayed with me and told me it was going to be all right and she'd be there through the surgery. The next thing I knew I saw the bright lights of the recovery room and was in another holding bay. I looked around and again I saw Maggie walking towards me. She asked if I was okay and I shook my head yes. She again held my hand and made sure I woke up all right. I will probably never see her again in my life; yet her presence meant a lot to me. It reminded me how much a kind act and also not being in a rush can mean to someone. I can still picture her face in my mind, but I especially remember her compassion and care.

A friend in Christ, Cyd James
