“For of him, and through him, and to him, are all things: to whom be glory for ever. Amen.” Romans 11:36

July 2022

Dear Brethren,

“Our help is in the name of the LORD, who made heaven and earth.” (Psalm 124:8). Greetings in the precious name of Jesus Christ the Lord. We hope that each one is doing well.

We have cause for thankfulness to our Sovereign God for his continued blessings and loving kindnesses towards us. Also, for the blessings that we enjoy through the prayers and support of so many of His people and churches.

The ongoing worship services continue well with those who regularly attend, for which we are again thankful. I have been able to get another Gospel bulletin prepared and delivered to the printer for distribution in Dongara and Port Denison upon its completion. This will be the third time that we have sent out pamphlets via the postal service. Each one contains a different Gospel message. We continue to pray that the Lord will use them for His glory and to the benefit of those who receive them.

Cyd and I were able to upgrade to a newer used vehicle, which is more suited to our needs. We appreciate the support received over the years so that we have been able to add to the vehicle fund, which in turn made the purchase possible.

I was able to talk to Bro. Norman Malu in Papua New Guinea and he said that there is still election chaos and violence so the government extended the voting for two more weeks. We appreciate your prayers concerning this difficult time in that country.

Thank you once again for your continued love, encouragement, prayers, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ, Bro. Frank James

News From The Homefront

Smart Vehicle –

As I put my head back to rest, I started hearing a voice talking from our newer vehicle. This was a new thing for us as we have never had a vehicle that “spoke” to us. Next, I heard Frank saying, “cancel.” He was talking back to the vehicle voice after he accidentally pushed a certain button on the steering wheel. The voice was saying, “If you are trying to make a call, then, for example say, 1, 2, 3.” The ‘voice’ didn’t hear Frank’s reply as it barely paused. The voice was a woman’s, and she went on about various driving rules and it was getting irritating. Finally, Frank said “cancel” loud enough so that she did stop, but said, “Do you want to cancel”? It made us laugh that he had to keep repeating ‘cancel’ with a computerized voice to get some peace and quiet. 😊
