"For of him, and through him, and to him, are all things: to whom be glory for ever. Amen." Romans 11:36

December 2021

Dear Brethren,

"And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Juda, the Root of David, hath prevailed to open the book, and to loose the seven seals thereof." (Revelation 5:5). Greetings in the name of Jesus Christ, who is worthy of all praise. We trust that this report finds each one doing well.

The Lord continues to burden me to further the proclamation of the Gospel to other areas. For this reason, I have began praying about and investigating the communities of Port Denison and Dongara. They are next to each other about an hour's drive south of where we live in Geraldton.

I am praying that the Lord will open a door to minister in these communities and provide a suitable meeting place. There are currently several locations that may be possibilities for conducting services. It is my hope to begin there early in the year, the Lord willing.

Thank you once again for your continued love, encouragement, prayers, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ, Frank James

News From The Homefront

Heatwave and Sprinklers –

There was a heatwave the last week of December. Several days were 112-115 degrees. Since we are responsible in our rental contract to keep the yard watered, Frank was working hard at keeping the plants and grass cool and wet. One night about 10:00 p.m. he left the room, and I didn't know where he went. He came back and his shirt and pants had water all over them. He said he was doing an experiment and tried watering when most people were going to sleep for the night, and sure enough, the water pressure was much higher and covered all the grass and him. 😊 When he tried watering around 7:00 p.m., the sprinklers wouldn't pop up because of little pressure from so many people using water at that time. At first, he thought it was the sprinkler system not working right. Then it dawned on him what it might be. I tease him that he likes to keep me guessing what he is going to do next.
