"For of him, and through him, and to him, are all things: to whom be glory for ever. Amen." Romans 11:36

FEBRUARY 2015

Greetings once again from Western Australia in the name of the Lord Jesus Christ, "who is the blessed and only Potentate, the King of kings and Lord of lords."

I Tim 6:15.

It is a blessing to be able to report this month that the Lord has graciously provided a meeting place for us to begin public worship services. After a lengthy search, a suitable and available building was located at a local Primary School in the suburb of Padbury, which is in a very accessible and centralized location. The meeting place is a large separated classroom with an available closet where we will be able to store our pulpit, chairs, song books, and so forth.

The school administration has been kind and helpful regarding our need, and after recent approval by the school board, permission was granted for us to hire their facility. After having completed the required paperwork with the school, securing necessary liability insurance, and purchasing some needed supplies, we plan to have our first service on March 8th, the Lord willing.

We are also thankful to have been able to put in several announcements in the local community newspapers regarding the services, trusting that the Lord will be pleased to use this means to make our presence known. We greatly appreciate your faithful prayers regarding these needs. It is our hope that the upcoming new services will bring glory, honor, and praise to God the Father and to Christ Jesus the Lord. And that the propagation of the truth of God's Word will be effectual to the salvation of sinners and the edification of the saints.

Our sincere thanks for your prayers, love, encouragement, and support, for the Lord's work in Australia and Papua New Guinea.

Love in Christ, Frank James

News From The Homefront

Birds:

On our evening walks, we enjoy watching the birds or looking for anything that might be in the water, such as a dolphin or a school of fish swimming by. The other day we noticed two seagulls and one of them was squawking and jumping around. The other one was standing still and looking straight out towards the ocean and ignoring the other one. We stood and watched them for about five minutes, and the one looking out at the ocean never moved or acknowledged the squawking one. It made us laugh because we've seen other creatures do the same thing, including people. We don't know the gender of this species of bird but Frank teased and said the squawking one was the wife and the stoic one was the husband. But the stoic one could have eaten a little fish that the other one was going to eat. In the end, it reminded us how we never know what any creature, or person, has been going through by only one set of circumstances.

A friend in Christ, Cyd James
