*"For of him, and through him, and to him, are all things: to whom be glory for ever. Amen." Romans 11:36*

---

## JANUARY 2013

Greetings once again from Australia in the precious name of the Lord Jesus Christ.

Cyd and I have been able to get settled in our residence, for which we are thankful. I still have some work to do in order to get our office more functional and have just completed building a bookcase that will greatly aid in this endeavor.

The Lord has blessed us with several opportunities to speak with our neighbors and others in our community and let them know about the new mission work. One man asked for more information and materials to read, which was a blessing and encouragement. I have also started looking into the possibility of a venue for our services and am trusting the Lord to direct.

The work on Immigration that I mentioned in our last mission report is progressing. The first step has been approved and two other steps still need to be submitted. I hope to begin work on the second section as soon as possible.

As some of you may recall it was necessary for me to discard our printing (Risograph) machine several months ago. It had become so old that I could no longer get repair parts for it. This month has provided me some time to investigate the types, availability, and costs of a possible replacement printer. We are now in a position to be able to spread the gospel via the printed page here in Western Australia. While I am still investigating various types of printers and duplicators that will suit our needs, I have found that I can get a new digital duplicator (similar to our old one but a step up) for approximately USD \$9,000.00. I have also been researching folding machines and have found a basic one for just under USD \$1,000.00. We have formerly been folding all booklets, tracts, and mail drops by hand and a folding machine would greatly assist us in the work. In addition to these printing needs, my computer (that has served me well for many years) has become outdated and more and more dysfunctional. As much as I dread having to learn a new computer and operating system, it has nevertheless become necessary. A computer can be obtained for approximately USD \$800.00. We are thankful to the Lord for a \$1,000.00 offering that has already been designated towards the printing ministry and any further assistance from the Lord's churches toward this need is greatly appreciated. It remains our hope and desire to further the gospel as we are able and as the Lord provides and directs.

Thank you for your continued prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,  
Bro. Frank James

This mission is an integral and inseparable arm of Sovereign Grace Baptist Church, Galena, Ohio.
