## **MARCH 2013**

Greetings once again from Australia in the precious name of Jesus Christ the Lord. We hope that you are all doing well.

Being eager to begin public preaching of the gospel, I have been investigating various places that may be rented in order to conduct religious services. There are some community halls and meeting rooms available on a weekly basis through the city of Mandurah, as well as through various organizations or clubs. I am seeking a place with public visibility as well as being able to accommodate worship services on the Lord's Day. While there are several possibilities at present, I have not yet been able to secure a place for one reason or another. However, I am hopeful that in the very near future that we will be able to begin having more public worship services. Your prayers for this need are much appreciated.

In addition, I am preparing a leaflet to pass out that will not only contain a gospel message, but an announcement regarding our services as to the time and place (when the Lord in His providence makes this available).

It has also been a blessing this month to have opportunity to reformat and to work on other various tracts, Bible literature, and mail drop pamphlets. We are continuing to hope and trust in the Lord to open a great and effectual door for the propagation of the gospel in Western Australia. We remain thankful for each opportunity the Lord gives in reaching others with His word.

Thank you for your continued prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,  
Bro. Frank James
