## MAY 2012

Greetings from Australia in the precious name of the Lord Jesus Christ. We pray that each one of you are doing well.

Here we are thankful for the faithful attendance of the members at Cobbitty as well at that of our regular visitors. The worship services continue to go well.

It was a blessing this month to be able to get a gospel article out to the community once again via a weekly paper. The paper claims to have over 100,000 readers each week in the area, so we are thankful to be able to reach so many with the message of grace. We continue to pray that the Lord will be pleased to use the articles as a means of glorifying Himself and bringing His lost sheep unto salvation.

Cyd and I continue to make arrangements and preparations for travel to the USA. She will be leaving ahead of me in June, so that I can more readily pack up our household goods and get it into a shipping container for storage, and then later for transport to Western Australia, the Lord willing. I am still searching out the best and most cost effective means to move.

Bro. Norman Malu in Port Moresby, Papua New Guinea is planning on traveling to the Highlands in June with his family for a brief visit to their home village. It has been many years since his wife, Sis. Lucy, has seen her family. Also many of their children were born in Port Moresby and have never been to the Highlands or seen their family there. Sis. Lucy and the children plan to remain in the village for several months.

The Lord willing, Bro. Norman will be traveling back once again to the Highlands in September to attend a Bible Conference and will be teaching the churches and pastors from our translated materials. As their usual practice, he and the brethren also plan to spread the gospel among neighboring villages. He will then accompany his family home.

The national elections in Papua New Guinea are coming up so your prayers for the safe travel of their family are much appreciated. National elections are accompanied by much turmoil and violence, which make travel difficult and dangerous.

We remain thankful for your continued prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,  
Bro. Frank James
