MAY 2013

Greetings once again from Western Australia in the precious name of the Lord Jesus Christ.

It was a blessing this month to be able to get matters in place in order to start public worship services. We're thankful for the meeting place that the Lord provided for us in the city of Mandurah. We were able to secure the required insurance as well as get a sign made that we will set out near the road in front of the building each Sunday. I have also been able to get out a basic announcement in one of the local newspapers that will run for a couple of weeks.

As we have the means available I hope to get a greater supply of gospel bulletins printed to distribute neighborhood by neighborhood. I prefer these to the notice in the newspaper since a gospel message is also included in the bulletin. Later and also as we have the means, we hope to have a series of gospel messages in the newspaper as well. It has been our observation that the community newspapers are well read.

It was a privilege to enjoy our first worship service in the building this past Lord's day. It was a blessed time of worship and thanksgiving whereby we were encouraged and strengthened.

We are thankful that the newspaper ad was seen by some people as we have had calls inquiring about our services. We continue to trust the Lord to draw His people according to the eternal purpose which He purposed in Christ Jesus the Lord.

Thank you for your continued prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,
Bro. Frank James
