Dear Brethren,

"Who hath put wisdom in the inward parts? or who hath given understanding to the heart" (Job 38:36)? Greetings in the precious name of Jesus Christ, our Sovereign Lord and King. We hope that this report finds each one doing well.

The Lord continues to bless our regular services in Dongara/Port Denison, for which we remain thankful. Those who are faithful to attend seem to be blessed and encouraged by the services. One of them will be returning in early June from a visit with her family in the Philippines.

I am in the process of preparing another Gospel bulletin for circulation in the community, as it has been a few months since the last distribution. I am hopeful that it will be printed and ready to send out in early June.

Some of our time has been occupied with necessary repairs and maintenance on our vehicle this month. However, we are thankful to have been enabled to get it completed. As is probably the case for almost everyone, it seems that we never get caught up with the chores that need to be done.

Our sincere thanks once again for your continued love, prayers, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,  
Bro. Frank James

## ***News From The Homefront***

Not long ago, we found a local farmer's market that stays open every day. They had okra and we were surprised and happy. We don't see it in the regular grocery stores. I've asked a few people about it, and they hadn't heard of it before, so it's nice that some farmers are now growing it. Then, a new restaurant opened, and we walked over to see their menu. Its theme is local Australian produce. We read that they serve Emu filets, kangaroo tail, and crocodile spring rolls. They also use local plants for seasoning such as Wattle seeds. It's so new to us that we are still deciding if we want to try it. We keep thinking about the joke that everything tastes like chicken, but the main thing I wondered is where they get this produce, as most of it is not common in meat section at the grocery stores. 😊
