NOVEMBER 2013

Greetings from Australia in the precious name of the Lord Jesus Christ. We trust that each one is doing well and enjoying the blessings of grace.

This past month we started worship services in the new community center that I mentioned last month. However we experienced an unforeseen problem with the acoustics in the building due to a resounding echo. Both during the singing and the preaching everyone found it difficult to hear. We tried several different things to alleviate or lessen the echo but were unsuccessful. Also since we are only renting the use of the building, we are limited as to what we are permitted to do regarding any alterations. In view of this difficulty, we have decided to seek another venue in which to conduct our services. Last week we found another community hall that is actually more of a family center and located in a main residential area of Mandurah. The Lord willing, we will begin services there this coming Lord's day.

It was a blessing to have Bro. Sande Kewa from Papua New Guinea visit with us for a week. Bro. Sande is a faithful member of the church in Port Moresby, which is pastored by Bro. Norman Malu.

Bro. Norman has traveled to the Highlands for a mission trip and will be occupied there for several weeks. In addition to attending a Bible Conference, he plans to teach several of the churches from the book of Acts, emphasizing mission work. Your prayers for him in this undertaking are very much appreciated, as well as for all of the brethren in Papua New Guinea.

Your prayers for the church at Cobbitty in New South Wales and their need of a pastor are greatly appreciated as well. They remain faithful to hold worship services each week at the Cobbitty School Hall.

Thank you for your continued prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,
Bro. Frank James
