NOVEMBER 2014

Greetings once again from Western Australia in the name of the Lord Jesus Christ, who is the Blessed Hope of His people.

We are thankful to be able to report that our application for a rental property was approved this month and we will be able to move around mid-December. Our new residence is located in one of the northern suburbs of Perth, and will enable easy access to a large segment of the population. Blessed be the Lord who has provided this need through the prayers and petitions of His people. Our new postal address is listed in the heading.

While searching for a rental property, I have also been looking into the need of a meeting place in which to conduct worship services. There appears to be a number of community halls and meeting rooms that might be suitable for our purpose, and that I will be investigating further as we get settled. Your prayers for this need are also greatly appreciated. While the task of moving seems arduous, Cyd and I are looking forward to getting settled in this new area and are thankful for the opportunity afforded us to propagate the glad tidings of grace in another area of Western Australia.

Our sincere thanks for your prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ, Bro. Frank James

News From The Homefront

Thanksgiving:

Moving is not something that most people enjoy and I've lost track how many times we have moved. It's over 30 times now. Yet recently the Lord reminded me of the many blessings that have occurred from our moving and getting to meet new people. One Thanksgiving holiday years ago we were stressing to our sons how we need to be thankful for each thing in our lives, no matter how small it is. When it came time for one son (aged 10) to pray, he thanked the Lord that he had a pillow to sleep on instead of a rock. I was reminiscing and remembered this event at Thanksgiving this year and thought to myself how gracious and good the Lord is to us. And though we have moved a lot, I have always had a roof over my head and a pillow to sleep on.
