## SEPTEMBER 2013

Greetings once again from Australia in the blessed name of the Lord Jesus Christ, who in all things has preeminence. We trust that each one is doing well.

We are thankful to be able to report that our worship services, as well as our endeavors to spread the gospel message, continue to go well. The bowling club which owns the building in which we conduct our services has informed us that the building is scheduled to be torn down before the end of this year in order to make room for development. This means that it will be necessary for us to find another place for public worship in the very near future. I am presently starting to look for another building or community hall which will be suitable for our needs. Your prayers regarding this are much appreciated.

It was a blessing to be able to speak with Pastor Norman Malu this month and to catch up on news concerning the Lord's work in Port Moresby and in other areas of Papua New Guinea. He reports that the church there is doing well and that he is planning a new mission's trip to the Highlands in late November of this year. He plans to attend a Bible Conference hosted by one of the churches there. In addition, he is planning on teaching several of the churches a study course on the book of Acts, emphasizing missions. Your prayers for Bro. Norman are much appreciated as this work will keep him occupied for several weeks and requires his absence from both his church and family. There are several young men who have attended Bible study courses who will fill the pulpit in his absence. We appreciate your prayers for the brethren in Port Moresby as well as the brethren in the Highlands.

Cyd is making final preparations for her return to Australia. Thank you for your thoughts and prayers for her regarding her health and upcoming travel.

Once again, your continued prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea are greatly appreciated.

Love in Christ,  
Bro. Frank James
