JUNE 2014

Greetings once again in the name of God the Father, the Lord Jesus Christ, and the Holy Spirit.

It has been my privilege to have had the opportunity to spread the gospel in most of the Mandurah area of Western Australia. During this time we have been thankful for many opportunities to talk to different ones and were also blessed with a number of visitors to our regular services, along with one couple who attend regularly. There remains a burden upon me to reach other areas, (the next towns and villages) as well as the city of Perth, which is the largest city in the state. In our particular circumstance, to move on to other areas will most likely require that we relocate more towards Perth, for which we are currently seeking guidance from the Lord. Your prayers for us are greatly appreciated as we seek the Lord's will concerning His work.

In the meantime, I am taking a window of opportunity to travel back with Cyd next month for her annual appointment with her doctor in North Carolina. My being with her this time will help ease the burden of travel in view of the difficult year she has had health-wise. We also plan to spend some time with our home church as well as with family before returning to Australia. I regret that I will be at limited liberty to visit with our supporting churches this time back. Your understanding is very much appreciated as I am presently unable to be away from Australia for very long.

Your continued prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea, are greatly appreciated.

Love in Christ,
Bro. Frank James

News From The Homefront

After getting my eyeglasses fitted, I was walking down the mall and noticed a little girl who was about 7-years-old. Her thin coat was wrapped around her tightly and she was longingly touching some gold sneakers at one of the shoe shops. I looked down and noticed that her shoes were getting old and wondered if her mom was going to buy her some new shoes. However I didn't see her mom or any adult nearby. I knew nothing about her circumstances, yet I felt sorry for her. It wasn't as much about the shoes but more that she seemed so timid and alone with her thoughts. In our day and age with so much crime against children, it's considered almost illegal to strike up a conversation with a child. It's sad as I would have liked to have held her hand and tried to comfort her. All of this made me think about God and how He comforts His people each and every day. We sometimes have our discouragements and feel forlorn, yet He never leaves us or forsakes us. And when we have our spiritual eyeglasses fitted, we see how blessed we truly are. Thus my prayer is that this little girl will know the love of our Lord and Savior.
